## About Me

Let me introduce myself! My name is Morgan and I have pretty much grown up in the beauty industry my entire life. Both of my parents were hairdressers so it totally runs in my blood. I have such a passion for helping others discover their most unique and beautiful selves.

I am married 🤰 to my best friend and biggest supporter Preston and we are parents to a puppy 🐶 and a naked kitty 🐱 (Seriously y'all she's hairless), Toby and Penelope.

I have been a cosmetologist 💅 for 6 years and fixing is my specialty! Bad hair color, hair falling out, your hair isn't long enough, maybe its dry? I could keep on going...I love fixing! It takes a lot of hard work and so much continuing education but so worth it to be able to serve my clients!

♥️ That is such a huge reason why I have decided to start a BLOG, so many people come to me with more than just their hair issues. Tummy troubles, work out questions, recipes, skincare and this is the perfect place for everyone to come back and find the answers!

So if you're looking for an allergy prone, fitness, fashion, beauty expert....you have totally found her!
